ABOUT MERINO

Welcome to the home of Laminates, welcome to Merino. From a humble beginning in 1967 to the launch of plywood and laminates and subsequently furniture solutions, the Merino Group has come a long way. Today, the group is one of world's largest manufacturers of decorative surfaces introducing new products, categories and businesses based on market demand with top-of-the-line raw materials, integrating state of the art production and technology. The Group has diverse business interests that expand from Interior and Architectural products to Information Technology to Food & Agro products. With its presence in over 80 countries that span across the 6 continents, The Merino Group has an annual turnover of over 245 Million USD. Driven by the inherent value of constant innovation, Merino offers a diverse bouquet of multiple surfaces with infinite design possibilities that showcases its world class manufacturing prowess. The ever growing network of stakeholders corroborates the group's eminence and indicates a promising future for years to come.

CERTIFICATES AND ACCREDITATIONS

At Merino, we strive to set higher benchmarks that allow us a global competitive advantage. Right from uncompromising safety standards, sustainable production and manufacturing processes to innovation centric research & development, we ensure a consistent range of superior quality products that comply with international certifications and accreditations.

* Products are available as FSC™ certified upon request
NSF International has certified Merino Industries Limited Hapur for Work Surface in CGS and HGS grade. For further product listing information visit www.nsf.org/certified-products-systems.
